## Great Big Bertha Titanium Drivers For Mac

Very Good Condition: Unlike our Like New condition, these clubs have clearly been hit but are in fantastic shape.. Very Good Condition - What It Means Grip: Always a high quality grip Shaft: Slight signs of wear or use.. Excellent customer service Part-Exchange your old golf clubs 7 day Money-Back Trial.. All of paint-fill still in the grooves Sole: Polished look Like New but with a bit more wear.. Like New Condition - What It Means Grip: Always a high quality grip Shaft: Few signs of any wear or use.. Outlet - What It Means Grip: Always a high quality grip Shaft: No signs of any wear or use.. They may have a few scratches if you look closely but will still look like the newest club in most bags.. Hp 4700n drivers for mac They may have some cosmetic imperfections but will look better than the average club in most players' bags.

Outlet condition clubs could exhibit some minor scuffs on the sole or other form of shop-wear.. I believe these two things are related Big Bertha Driver ReviewFace: Polished look of Like New but with slightly more signs of play.. Big Bertha Driver ReviewCallaway Great Big Bertha Epic Drivers in stock for Next Working Day Delivery.. Light wear from where club has brushed through the grass in play Woods Top/Crown: Minor signs of wear from normal use.. Face: Normal scratches from shot impacts that will not affect performance Grooves are still sharp and in great condition.. Outlet condition clubs have never been hit However, they cannot be sold as new as they could have been floor samples or demo clubs.. Face: Perfect sharp grooves with scoring lines and paint fully intact Sole: May have a few brush marks but nearly perfect.. Paint may have a small scratch or chip, but they will be barely visible Irons Topline/Body: Few cosmetic scratches from rubbing against other clubs but medallions and overall condition is great.. Face: Perfect sharp grooves with scoring lines and paint fully intact Sole: May have a few brush marks but otherwise perfect.
